PRITHVIRAJ BANGARIMATH

DATA ANALYST

Bangalore, India | skyler.c1738@outlook.com | Linkedin: prithviraj-bangarimath-30754a240

Data Analyst with 3+ years of experience in SQL, ETL, and data visualization. Skilled at designing data pipelines, building dashboards, and delivering actionable insights that improve efficiency and decision-making. Experienced in payroll and inventory analytics for multi-site operations across the UK.

AREA OF EXPERTISE

SQL & Database Management	Power Bi & Tableau	Machine Learning & NLP
Python for Data Analysis	ETL & Data Pipelines	Payroll & Inventory Analytics

KEY ACHIEVEMENTS

- Improved payroll accuracy by 15% and reduced reporting time by 30% through optimized SQL queries and ETL jobs at Fourth.
- Delivered insights from large datasets that supported decision-making for 24/7 operations, streamlining inventory processes for multiple clients.

PROFESSIONAL EXPERIENCE

Inventory Analyst, Wellfound   **Apr 2024 – Present**
- Developed and optimised SQL queries, procedures, and ETL jobs, improving system efficiency and supporting 24/7 payroll and inventory operations.
- Enhanced payroll accuracy by 15% and reduced reporting time by 30%, improving client decision-making.
- Collaborated with cross-functional teams to streamline daily operations for London-based clients.

SQL Programmer, Fourth London (hybrid)   **March 2023 - Feb 2024**
- Designed and refined database scripts and data pipelines to support payroll, point-of-sale, and inventory operations.
- Supported key clients including IVY London Restaurants, Coppa Club, and multi-chain restaurants with data solutions.
- Improved reporting efficiency and collaborated with teams to streamline operations.

MSc in Data Science with Machine Learning   **Jan 2022 – Jan 2023**
Queen Mary University of London, UK | Distinction
- Python, SQL, R, Tableau, Apache Spark, ETL, Data Visualization
- Machine learning, predictive modeling, statistical analysis

Bachelor of Science in Information Science   **Aug 2016 – Sep 2021**
Dr. Ambedkar Institute of Technology, Bengaluru, India | GPA: 7.8/10
- SQL, Oracle Database, Java, Database Management, Data analysis and system design projects

ADDITIONAL INFORMATION

- **Languages:** English (Full professional), Hindi (Native/Bilingual)
- **Certifications:** The Ultimate MySQL Bootcamp (Udemy), Python and Cyber Security (ShapeAI), Data Science and TensorFlow (ShapeAI)
- **Awards/Activities:** GitHub Projects – Sentiment Analysis of Wine Descriptions, Instagram Database Clone; Active in data analysis & ML projects
